

Blank fun plates

Colored fun and motif plates are a beautiful and individual gift idea for many occasions. Your customer's desires can be implemented for birthdays, anniversaries or weddings, but also as a name tag for truckers.

■ Blank fun plates

You can get blank fun plates for name and text signs with glitter effects and various motifs. In their standard form, our blank fun plates are supplied with embossed edges. Various options make it possible to further customize your plate. Different foil stickers, for example, with a personal motif of a photo, emblems, cars, rings, hearts, and much more are available for you to choose from.

All plates can be colored using hot stamping machines and inking rollers (only with K varnish) available on the market.

► Glitter-fun-plates

► Motif-Label plates

- **Effect-Labels:** blue glitter, yellow glitter, silver glitter, red glitter, green glitter, silver star, charcoal, arrow plate (white/yellow)
- **Motif-Labels:** Germany, Bavarian diamond, dark rainbow, light rainbow, cosmos, water, 200 Euro note, 500 Euro note
- **Sizes:** The blank fun plates are generally available **110 mm wide and 520 mm** in length

Other colors, motifs, as well as lengths and widths are available at any time upon request and can be created independent of the order amount.

■ Single-color blank fun plates

In addition to the glitter and motif blank fun plates, we also offer **single-color plates** in various colors. In their standard form, the single-color plates are supplied with embossed edges.

All plates can be colored using hot stamping machines and inking rollers (only with K varnish) available on the market.

► Single-color blank fun plates

- **Blank colors:** black, white, dark red, dark blue, dark green, dark yellow, light yellow, orange, blue, purple, red, pink, silver, gold, matte black
- **Sizes:** The blank fun plate are generally available **110 mm wide and 520 mm** in length

Other colors as well as other lengths and widths are likewise available upon request independent of the order amount.

■ Accessories

As a further accessory, we offer you the **plastic suction cup** for adhesion to all flat surfaces. The assembly suction cup made of **high-quality PVC** is attached using a plastic nut and is particularly suited for **easy label mounting** on window panes or for attaching to other, flat base surfaces.

Advantages:

- High-grade quality of the plates
- Clean preparation
- Varied choice of color and motif
- Colorable with all common hot stamping machines and inking rollers
- Appropriate PVC suction cup with strong hold available
