

Nostalgia and house number plates

Our blank plates for nostalgia signs with authentic edge stamping and an antique look can be used as house numbers, private street signs, company signs, or individually-designed signs.

Nostalgia and house number plates are manufactured from high-quality aluminium and can be embossed with all common embossing tools. Our plates can be colored with all common hot stamping foils. The coloring of the plates with our special gold and silver foils give them a unique antique look. Our nostalgia signs and house number plates can be delivered from the factory in the standard colors listed below.
